

Historic Speedway Group Membership Application

The Historic Speedway Group (HSG) was formed in 2007 with the vision of on-going restoration and preservation of the Historic Occoneechee Speedway, located in Historic Hillsborough, North Carolina.

In 2009, the HSG opened membership to everyone who shares their enthusiasm. This opportunity to become involved with an enriching project has been embraced by our new members. The addition of new members has added strength to the HSG team and to the mission of the HSG.

Thank you for your interest, your support and your membership into the Historic Speedway Group.

Annual membership is \$50.00. You will receive a membership card on a lanyard and license tag. The website will have a calendar of events for members so you can plan your involvement in track beautification days, volunteer opportunities at cruise-ins and exciting positions at the annual HSG fundraiser the end of September:

“The Celebration of the Automobile & Racers Reunion”.
